

Agenda: IEEE-ISTO IPP WG Meeting in New York City, May 17-18, 2000

File: Agenda-IEEE-ISTO-IPP-WG-Meeting-NYC-000517.doc

Please see the proposed agenda topics and document references for our upcoming meeting in New York City. We will discuss the exact order and the time allocation for these points at the beginning of the meeting.

All of the .pdf and .doc files have been copied to two separate zip files:

<ftp://ftp.pwg.org/pub/pwg/ipp/meeting-pdf-000517/pdf-000510.zip>

<ftp://ftp.pwg.org/pub/pwg/ipp/meeting-doc-000517/doc-000510.zip>

For those files whose revision marks are limited, only the -rev.doc and -ref.pdf files have been included. For those with many changes, both the version with revisions and without revisions have been included in the .zip file.

The documents are given below in there usual new_XXX places, since the URL is shorter. Names in parentheses indicate discussion leader for the meeting.
