

Semantic Model WG Conference Call Minutes

September 28, 2015

Meeting was scheduled for 3:00pm Eastern Time, September 28, 2015

Attendees

Daniel Manchala (Xerox)
William Wagner (TIC)

Agenda

- The scheduled topic was incorporating new elements from the Cloud specification into the schema.
- Because of insufficient participation by 3:15, the meeting was suspended.

Next Steps / Open Actions

- Next conference call nominally for October 12. However, Daniel may not be available in which case he will notify the SM3 Mail list.
- October 26 conference call will be used to prepare for the November 3 virtual face-to-face (VF2F) meeting.
 - Response to SM3 Charter Vote (four votes to date)
 - JDFMAP
 - Update of Schema and WSDL to include Cloud Imaging
- Any update of Schema required that current versions be viewable. Daniel will address this.
- Update of Schema must first consider how to handle the Proxy as an element within the Imaging System.

Bill Wagner - 28 Sept 2015
