Friday : 8:30am - 4:30pm
Breakfast will be available starting @ 8:00am

Please respond to this message if you are attending to the PWG meeting @ LA, if you already haven't done so.

Agenda:

Day 1:

1. ***8:30 - 9:30*** Introduction & Draft misc. proposals review
   - Proposed registration procedure for moderated IANA registration by Steve Zilles.
   - Proposed guidelines for RFC change requests by Binnur Al-Kazily.
2. Job related proposals & discussions:
   - ***9:35 - 11:30*** Job Submission Protocol Overview by Raymond Lutz.
   - ***1:00 - 2:45*** Proposal for standard Job MIB container by Harry Lewis.
   - ***3:00 - 5:00*** Job Monitoring MIB from Tom Hastings.

Day 2:

1. ***8:30 - 10:15*** Printer MIF by Harry Lewis
   - Final MIF comments;
   - Proposal to eliminate Interfaces, Storage and Device Groups.
2. ***10:30 - 12:00*** Additional alert codes proposed by Harry Lewis:

General Printer Group	Marker Group	Marker Supplies Group
0505: Offline	1001: Fuser Over Temp.	1115: Toner Cartridge Missing
0506: Reset	1010: Scanner Beam Error	1117: Fuser end-of-life
0520: ROM Error		1119: Cleaner Unit end-of-life
0521: DRAM Error		1121: Transfer Belt end-of-life
0522: NVRAM Error		
0523: Memory Overflow		
0550: Motor Failure		
0551: Fan Failure		
0552: CPU Error		

3. ***1:00 - 3:00*** Discussions on the charter of the PWG:
   - Does the group stay constrained to IETF & DMTF based standards for printers?

- Should we extend our charter by looking at specifying standards for other aspects of the overall printer environment?
- Is there any interest in working towards a PWG-sponsored print services protocol? Should PWG endorse one or more protocols in order to significantly improve print system capabilities?

4. ***3:15- 4:30*** Wrap-up
    - What is the next step for jobs & PWG?
    - November meeting schedule.
